Judge Offers to Send Six Convicted Reds to Russia

No Recognition For Red China, Congress Told

Administration Says Far East Parley No Opening Wedge

WASHINGTON (U.P.)—Administration officials assured uneasy congressmen today that the Big Four decision to invite Red China to a Far Eastern peace conference will not lead to U. S. recognition of Peiping.

They said the Allies actually scored a major victory in getting Russia to agree in writing that attendance at the conference would in no way imply diplomatic recognition of any of the governments taking part.

Some Republican and Democratic lawmakers expressed fear that inclusion of Red China in such a high-level meeting on Korea and Indochina might be the opening wedge to recognition.

Sen. Mike Mansfield (D-Mont.), a member of the foreign relations committee, said the decision grants Communist China "a degree of recognition." But other congressmen reported they are not opposed to the parley if the administration feels some progress might be made on Far Eastern problems.

Dulles to Make Report

Secretary of State John Foster Dulles, now en route here from the Big Four foreign ministers conference in Berlin, plans to report to Congress and the President in the next few days. He also will make a radio-television address to the nation some time next week.

In a final communique in Berlin Thursday, the United States, Britain, France, and Russia announced their decision to hold a conference on Korea and Indochina in Geneva, Switzerland, April 26. They said Communist China and other nations that were involved in the Korean and Indochina wars would be invited to sit in.

U. S. diplomats here acclaimed the decision as a triumph for the West because Russia failed to get China invited as a member of a Big Five. Korea was put at the head of the agenda, and recognition of any participating government was ruled out.

These officials said the West is agreeing to deal with the Communist Chinese government only on a "de facto basis" and only on "concrete, local problems" where Red China's participation is essential.

To Drill Oil Well 2,400 Feet Under Ohio River

EVANSVILLE, Ind. (U.P.)—An oil well will be drilled 2,400 feet under the Ohio River, the Carter Oil Co. announced today.

John Sprague, Mattoon, Ill., Eastern Division manager for Carter, said the well will be drilled 150 feet from the south shoreline about 15 miles southwest of Evansville.

The river is about half a mile wide at the well site. The drill hole will be slanted after the bit goes 200 or 300 feet straight down, Sprague said. He added it will be necessary to drill 3,000 feet to reach the Cypress formation at 2,400 feet because of the curved route.

Issue Three Drilling Permits

Drilling permits have been issued at Springfield for two oil tests in Eldorado township, one in Raleigh.

The Raleigh permit went to the George and Wrathe Oil Co. of Mt. Carmel for the Parker No. 2, to be drilled to the McClosky in the NE corner of the SE quarter of the NW quarter of Section 2, 8S 6E.

In Eldorado township the Illinois Mid-Continent Co. obtained a permit for the Leslie Stinson No. 1 and Carter Oil Co. was granted a permit for the J. R. Davenport No. 1.

The Stinson test is to be drilled to the McClosky in the NW corner of the NE quarter of the NW quarter of Section 17 and the Davenport No. 1 will go to the McClosky in the NE corner of the NW quarter of Section 24.

Public Meeting on Blood Program at Court House Feb. 23

There will be a public meeting next Tuesday, Feb. 23 at 7:30 p. m. at the court house at which Dr. Warren Tuttle will discuss the Saline county blood program and how it affects each and every resident of Saline county, it was stated today by Eugene Schierle, blood recruitment chairman for the Red Cross blood program.

Representatives from every organization are asked and urged to attend this important meeting so they can take back to their individual groups the true story. Everyone interested is also invited and urged to come and learn the facts about this program.

This blood program is for the benefit of everyone in Saline county and without full cooperation of everyone the county will lose all the benefits of it.

"I know you are all interested in your own family's welfare as well as your community's so let's turn out to hear Dr. Tuttle who has worked so hard to keep this program moving along. Bring along your questions and Dr. Tuttle will have the answer for you," Schierle said.

Rocket Hits Girls' School, None Injured

CHICAGO (U.P.)—A run-away rocket from a parked jet plane rocketed into the side of a girls' school in Des Plaines, Ill., Thursday. None of the 365 occupants was injured.

The rocket bored an eight-inch hole in the three-story brick building, and shattered windows from ground to roof. The 2.75-inch missile came from an F86F jet fighter on the ground at O'Hare Field, Chicago International Airport, a half mile from the academy.

"It was a freak accident that probably would not happen again in 20 years," said Col. C. F. La Clare, acting commander of the base.

By five minutes, the errant rocket missed striking as pupils boarded the school bus in the danger area. It missed 14 or 15 children standing outside the building by only 60 feet.

Aerial Combat Type Rocket

The only witness to the actual explosion said the rocket dropped from the plane, sped along the ground for 50 feet, rose in an arc, and then nosed toward the academy lawn. It picked up momentum again and ripped along the ground until it smashed into the front wall of the school.

Sister Gabrielle, director of St. Patrick Academy, said her first reaction was that an atomic bomb had hit.

O'Hare described the rocket as 4 feet long and of a type used in aerial combat. La Clare said all the safety devices were in order.

The only clue to the accident was a flaw reported in the plane's electrical system. La Clare said measures will be taken to ward off another accident.

Pulaski County Coroner Dies

MOUNDS, Ill. (U.P.)—Dr. H. J. Elkins, Pulaski County coroner, died of a heart attack Thursday afternoon at his home here.

Elkins, who was about 70 years old, had been coroner for 10 years.

ENTERTAINS TROOPS—Marilyn Monroe, during her trip to entertain American GIs in Korea, proves the old adage about "never underestimate the power of a woman" as she appears before thousands of Marines in Korea. Not since President Eisenhower's pre-inaugural visit has such a turnout been seen. More than 10,000 GIs traveled from all over Korea to be on hand for Marilyn's appearance. (NEA Telephoto)

Watson Seeks Support of Two Opponents to Halt Hayes 'Bloc'

CHICAGO (U.P.)—Deneen Watson, one of 10 candidates for the Republican nomination for U. S. senator, sought the support of two of his opponents today to stop what he described as a "plot" by the so-called West Side Bloc of Chicago politicians.

Watson, at a testimonial dinner in his honor Thursday night, asked Austin L. Wyman, former president of the Chicago Crime Commission, and Edgar M. Elbert, Maywood, former national president of Lions International, to become his "advisers and supporters."

Watson, secretary of the Illinois State Bar Assn., charged the West Side Bloc tried to gain official GOP Cook County support for Edward A. Hayes, former American Legion national commander who is also a candidate.

Hayes Denies Charge

Elbert rejected Watson's invitation to drop out of the race.

"The unusually large field of candidates for the nomination, Watson said, 'is a situation made to order for the political connivers.'"

The West Side Bloc, a term usually applied to a group of Republican state legislators from districts on the city's crowded West Side, is still active in the Republican Party in Cook County, Watson said. He did not mention any member of the bloc by name.

Objectives of Bloc

Watson said the objectives of the West Side Bloc were:

1. A senatorial candidate, the leader of the fall ticket, with whom they can deal.
2. The office of the Cook County treasurer; a source of patronage on the local scene.
3. The office of county assessor, a position which yields tremendous power over every owner of real estate.
4. Enough power to nominate their own Republican candidate for mayor of Chicago.

"If this bold group of political adventurers should succeed in any major part of this plan, Chicago and Cook County will have handed the reins of government to men who will build the foulest political combine in our history," Watson said.

First Baptist Church Is Incorporated

The First Baptist church of Harrisburg has been incorporated, it was revealed in a dispatch from Springfield today.

It was stated here that the church has received a not-for-profit charter to handle the financial matters pertaining to the purchase and remodeling of the church's education building.

The trustees of the church will form the board of trustees of the corporation. They are C. Aud Turner, Joe H. Pierson, H. C. Lewis, Cecil Pulliam and Walter W. Wirth.

Receive Fines, Sentences As Offer Refused

Six Found Guilty of Advocating Violent Overthrow of Gov't

DETROIT (U.P.)—Federal Judge Frank A. Picard sentenced six convicted Communists to terms ranging between four and five years and maximum fines of \$10,000 each today after offering to help them move to Russia "if any of you would care to go."

None of the defendants — five men and one woman — took up the judge's offer immediately.

The six were found guilty under the Smith Act by a jury of five men and seven women Tuesday of conspiring to teach and advocate the violent overthrow of the government.

"That's akin to treason," Judge Picard said.

"You have been convicted of the gravest offenses of which a citizen may be guilty, a plot, a conspiracy to overthrow your government by force and violence; a plot that has been in existence a number of years but which I believe and hope is being gradually eradicated or at least made less dangerous."

Then he made the offer to help send the Michigan party leaders to Russia.

One Faces Deportation

"I have the power to change my sentence I give you here today and if any of you would like to go to Russia to live, and I can arrange it, I'll be inclined to change your sentence to make that possible," he said.

Sentenced were Saul Wellman, acting state chairman, 4 years 8 months; William Allan, Daily Worker Correspondent and vice chairman, 4 years, 6 months; Nat Ganley, former editor of the Michigan edition of the Worker, 5 years; Philip Schatz, 4 years 4 months; Thomas De Witt Dennis Jr., 4 years 6 months; and Mrs. Helen Winter, wife of Carl Winter, one of the top 11 Communists convicted in New York in 1949 as the first Smith Act defendants, 4 years.

Allan, the only foreign-born defendant, also faces deportation to his native Scotland. Asst. U. S. District Atty. Dwight Hamborski said denaturalization proceedings will be started early next week. Allan is accused of falsifying his application for citizenship.

Loren L. Jenkins, 63, Dies; Rites Sunday at 2 p. m.

Loren L. Jenkins, 63, died today at 3:40 a. m. in the Lightner hospital. He resides at 30 West Lincoln.

He was born Sept. 12, 1890, to Booker and Mary Jenkins in Hickstown. He had lived in Harrisburg since 1918 and was a retired miner last working at O'Gara 3 and a painter.

He had been in poor health for the past 20 years.

Mr. Jenkins is survived by his wife, Ora; two sons, Jack, who is a senior at S. I. U., and Gerald, Dickinson, Tex.; four brothers, Nathaniel Jenkins of Herod, Thomas of Harrisburg, Bob of Oregon, Ill., and Ernest of San Bernardino, Calif. He is also survived by four grandchildren.

His parents, two sisters and one brother preceded him in death. The funeral will be Sunday at 2 p. m. in the chapel of the Harrisburg funeral home. Rev. W. L. Cummins will officiate, and burial will be in Sunset Hill cemetery.

She will succeed Mrs. Howard Coyle, who has determined to relinquish regular business duties. Mrs. Coyle will continue in the Register advertising department through the remainder of the month.

Mother of Mrs. Alma Sadler Dies

Mrs. Joretta Martin, 78, mother of Mrs. Alma Sadler, 200 East Church, died at the Harrisburg hospital today at 12:30 p. m. Funeral arrangements are incomplete.

Nation Has Hit Buyers' Market That in Past Has Made America, Oil Official Says

By LYLE C. WILSON

United Press Staff Correspondent WASHINGTON (U.P.)—The nation has hit into a buyer's market such as those of the past which have made America, Chairman Eugene Holman of the Standard Oil Company of New Jersey board of directors said today. He figures a buyer's market will make industry hump some to make its sales.

Holman was in town for the White House conference on traffic safety, a project in which the oil industry has a deep interest. In an interview with the United Press, Holman expressed confidence for the future and satisfaction with President Eisenhower's conduct of public business.

"We are in a buyer's market and there is nothing wrong with that," Holman said. "A buyer's market is what made America. A seller's market is the exception, not the rule."

He does not care for "recession" as a description of the times. He prefers a phrase of Treasury Secretary George M. Humphrey who said: "This is a rolling adjustment."

"Humphrey's rolling adjustment is the best description and the best way to level off," Holman said. "It is an adjustment, industry by industry instead of all at once."

We in New Jersey Standard and our affiliated enterprises are making capital expenditures in 1954 which will be well over 500 million dollars. Our average capital expenditure for 1952-53-54 will be about 600 million dollars annually, an aggregate of \$1,800,000,000.

Praising Eisenhower "Oil people are optimists. In our industry, I see nothing but continued growth. Our employment trend is steady. In 1954 we expect full employment, and other oil companies doubtless expect the same."

Responding to a question about Mr. Eisenhower's belief that March employment and other business statistics will reveal the true trend, Holman said there usually was a spring pick-up in the oil industry, and he expected such this year.

Of Mr. Eisenhower, Holman had this to say:

"He's done an excellent job. He's a great man. A damn good American. Good organizer. He's the kind of man we should have in there. He has accomplished the most fantastic organizing job any man ever had."

County Jail Is Empty

The Saline County jail was empty today.

It was emptied early yesterday morning and remained empty until yesterday afternoon, when there was an inmate for about an hour. He filled bond and was released and there have been no prisoners since that time.

Tornado Warning In Oklahoma And Arkansas

By United Press

Tornado warnings were issued for Oklahoma and Arkansas today as a severe storm kicked up the worst dust clouds of the year from the Texas Panhandle to the Nebraska border.

A U. S. Weather Bureau advisory said that a "few tornadoes" were expected in connection with severe local thunderstorms moving eastward in a wide belt from McAlester, Okla., to Little Rock, Ark.

Meanwhile, a vigorous storm centered over Northwestern Oklahoma sent winds up to 60 miles per hour whistling across the central Great Plains, including western Kansas and eastern Colorado.

At Garden City, Kan., winds up to 65 miles per hour smashed plate glass windows and swirling dust cut visibility to zero.

Throughout the western third of Kansas, in the nation's richest wheat lands, soil parched by winter drought swirled upward in choking clouds.

East of the storm center, moist southerly winds created thunderstorms from central Texas northward through the lower Missouri Valley.

Temperatures over the eastern half of the country were above normal, and balmy spring-like weather prevailed in the Mississippi Valley.

Wiedemann Again Asks Court for Liquor License

L. C. Wiedemann, who last fall sought a court order directing that he be issued a license to operate a liquor store in Independence township and failed, is trying again to obtain a license by appealing to the circuit court.

Wiedemann, following the dismissal of his first petition Jan. 15 by Circuit Judge C. Ross Reynolds, filed a second application for a license Jan. 30 and is seeking court action on this application.

His petition seeking a writ of mandamus to compel William Alfred Smith of Galatia, chairman of the Saline County Board of Supervisors and county liquor control commissioner, was filed this week in circuit court.

His first petition last fall charged that Smith denied his application for a license and charged there was no proper record of a referendum in Independence which voted the township dry.

Responding to a question about Mr. Eisenhower's belief that March employment and other business statistics will reveal the true trend, Holman said there usually was a spring pick-up in the oil industry, and he expected such this year.

Of Mr. Eisenhower, Holman had this to say:

Senate Approves Beeson to NLRB By 45 to 42 Vote

WASHINGTON (U.P.)—Republicans took command of the National Labor Relations Board today for the first time in its 18-year history after the Senate approved a GOP appointee over nearly solid Democratic opposition.

Albert C. Beeson, former West Coast business executive, moves into the vacant seat on the five-man board that now includes two other Republican appointees and two holdover Democrats.

The Senate by a 45-42 vote approved Beeson's nomination late Thursday in the closest shave for the administration in Congress this year. It was also the shakiest majority the Senate has given any appointee of President Eisenhower.

To Re-Examine Decisions

Beeson's confirmation, giving Republicans three-to-two control of the NLRB, is expected to signal a go-ahead for what GOP-appointed Chairman Guy Farmer has called "re-examinations" of past labor decisions rendered by the Democrat-dominated board.

Farmer says the board has been delaying decisions on cases striking at the heart of labor-management disputes until the vacancy was filled. Policy questions to be decided include how much jurisdiction the board will assert in the future and broadway boycotts.

The two previous Eisenhower appointees—Farmer and Philip R. Rodgers—are regarded by some labor spokesmen as pro-management. Similarly, the two Democratic holdovers—former Sen. Abe Murdock and Ivar H. Peterson—are viewed by some management spokesmen as pro-labor.

Four Hurt in Crash at Equality

Four Equality persons were treated at Ferrell hospital in Eldorado following a head-on collision of two automobiles on the main street of Equality near the post-office Wednesday night.

The injured were all occupants of a car driven by Homer Riden, whose car figured in the collision with one driven by Ronnie Mundy, 17, who was driving alone, State Police Sergeant Herbert Bramlet reported.

Mundy received only slight injuries, but Riden suffered a head injury, his mother-in-law, Imogene Kitchens, 39, suffered multiple lacerations, and Mrs. Kitchens's two children, Ray, 6, and Sue, 10, were hospitalized. Ray suffered internal injuries and Sue had a possible fractured arm.

Fire Destroys Garage at Fairfield

FAIRFIELD, Ill. (U.P.)—Fire destroyed the Griffith Motors garage here Thursday night and caused damage estimated at \$75,000.

William Griffith, owner of the garage, said two new automobiles and all the garage shop equipment were lost in the fire. He said the fire may have been caused by spontaneous combustion.

Asks Increase In Personal Tax Exemptions

Says Congress Should Act Before Economy Falls 'Flat on Face'

By United Press

Sen. Walter F. George (D-Ga.) today urged Congress to vote tax relief for consumers "before the economy falls flat on its face."

The Georgian, senior Democrat on the Senate Finance Committee, introduced legislation to increase personal income tax exemptions in order to bolster the nation's buying power.

He proposed to raise the exemptions for taxpayer and dependents from \$600 to \$800 this year and to \$1,000 in succeeding years.

George declared that he is "not an alarmist" about the way the economy is going and is "not a prophet of doom." But he said Congress should "take this forward looking step before the economy falls flat on its face."

George is a conservative Democrat and possesses great prestige not only among the members of his own party but also among Republicans.

He noted that President Eisenhower this week "expressed awareness of economic conditions in the United States" and indicated he might propose consumer tax relief to bolster the economy if employment does not swing upward next month.

Other congressional news:

Dividends: The House Ways and Means Committee modified its controversial proposal to give a special tax break to persons who receive income from corporation dividends. It left intact provisions to let them claim a 5 per cent tax credit for dividends this year and a 10 per cent credit in 1955, but eliminated a proposed 15 per cent credit for 1956. The proposal is part of the committee's broad tax revision bill.

Labor Rackets: A House investigating subcommittee which held hearings in Detroit last year charged in a formal report that Detroit Local 985 of the AFL teamsters union has mulcted millions from workers and businessmen through "racketeering, extortion and gangsterism." It sharply criticized Detroit police and local authorities for what it called inaction.

Academy: Air Secretary Harold E. Talbott agreed to senatorial proposals that air academy legislation be changed to (1) put a ceiling on total cost of the construction, (2) permit a part of the graduating classes of all three services to change services after graduation, and (3) bind Talbott to pick an academy site from the three top recommendations of a site selection commission.

Chief Justice: Chairman William Langer (R-N.D.) of the Senate Judiciary Committee agreed to throw open to the public a hearing late today on the nomination of Earl Warren to be chief justice. The public hearing was demanded by Sen. Robert C. Hendrickson (R-N.J.) who vigorously protested delay in committee action on the appointment.

Death Takes Matthew Yuhus, 75

Matthew Yuhus, 75, resident living at 825 West Church, died today at 8:35 a. m. following an illness of two years.

He was a retired miner born in Heves, Mayge, Parag, Hungary Nov. 20, 1878. He was married to Frances Kees Feb. 27, 1905 in Hungary, and they came to the United States in 1914.

He was a member of St. Mary's Catholic church.

Mr. Yuhus is survived by his wife, Frances; three children, Mrs. Frank (Julia) Kaps, Harrisburg; Mrs. Joe (Maggie) White, East Chicago, and Mrs. Warren (Isabella) Reiner, Harrisburg; three brothers, Joe and Barney Yuhus, both of Harrisburg, and Alex Yuhus in Hungary; three grandchildren, Mrs. John (Rosemary) Todroff, Gary, Ind., Miss Frances Kaps, Harrisburg, and Miss Gloria Beth Reiner, Harrisburg, and two great grandchildren.

The body was taken from the Gaskins funeral home to the residence to lie in state this afternoon. Funeral arrangements will be announced later.

The WASHINGTON MERRY-GO-ROUND BY DREW PEARSON

DREW PEARSON Says: Jef-
ferson's Writings Get Ax In
Overseas Libraries; Comedy
Cabinet Member Overseas
Fulton Lewis; SEC Ponders
Killing Public Utility Bond
Regulation.

WASHINGTON. — The U. S. In-
formation Service, believe it or
not, has banned the collected writ-
ings of Thomas Jefferson from
overseas libraries.

Officials are a little red-faced
over the ban and wish they hadn't
done quite so far in appeasing
Senator McCarthy. Nevertheless,
the book has already been taken
off the shelves of some overseas
libraries. Some, on the other hand,
have not removed it.

Reason for the removal was that
Jefferson's writings were com-
piled by Sheldon Foner, who was on
a State Department list of those
who had taken shelter under the
Fifth Amendment when quizzed by
a congressional committee. It has
been State Dept. policy ever
since. McCarthy raised such a
storm last winter to remove books
by congressional witnesses who in-
voked the Fifth Amendment, and
since Foner was one of these, his
compilation of Jefferson's writings
got the ax in some libraries.

Other overseas libraries with
more courage regarding McCarthy-
ism, decided that what Jef-
ferson wrote was more important
than what he compiled his writings
and kept the book regardless of the
directive from Washington.

CABINET LADY GUEST

After the White House radio cor-
respondents dinner the other eve-
ning, commentator Fulton Lewis
threw a gala party at the Shore-
ham hotel attended by various cel-
ebrities, most of them men.

Invited, however, was the one
lady of the cabinet — Mrs. Oveta
Culp Hobby, secretary of health,
education, and welfare. Mrs. Hob-
by is a lady with a fine background
of public service, having been head
of the WAC during the war, also
publisher of the Houston Post.
Despite the years, however, Mrs.
Hobby is a lady of great charm,
and on this particular evening she
looked positively ravishing.

Appearing at the threshold of
the Fulton Lewis party, she gazed
at the crush of male guests and
hesitated.

"I'm afraid I've come to the
wrong place," she murmured.
"Not at all, not at all," assured
Mr. Lewis in his most expansive
mood. "These men need some-
one like you to tone up the party.
Come right in."

The lone lady member of the
cabinet still hesitated. But after
further assurance from com-
mentator Lewis, she finally en-
tered, took off her wrap and pre-
pared to meet with guests.

"Now, let me see, dear," said
host Lewis, "what did you say your
name was?"

As Mrs. Hobby told him, Fulton
literally fell on his knees. To slip
up on a male member of the cabi-
net is not usually done in Wash-
ington, but to slip on the only lady
member, said Mr. Lewis with con-
viction is unforgivable.

COMPETITIVE BOND BUSINESS

It's been obscured by news of
butter, Bricker and Berlin, but the
Securities and Exchange Commis-
sion, charged with policing Wall
Street, appears on the verge of
junking a regulation that has saved
American consumers and investors
millions.

It is rule U-50 which requires in-
vestment bankers to compete
against each other in bidding for
the bonds of public utilities.

Prior to 1941, big investment
houses divided up the utility bond
business among themselves. Many
boards of directors of investment
houses had tie-ins with utility
boards of directors, so a bond issue
was floated by advance secret
agreement rather than by com-
petitive bidding. This meant that
the price to the utilities was high.
In fact, during the five years from
1936-1941, the utilities paid an av-
erage of \$20 in commissions, dis-
counts, etc., for every thousand
dollars they borrowed.

After 1941 when rule U-50 went
into effect, however, the utilities
paid an average of \$6.58 for every
thousand dollars they borrowed.

This saving also meant reduced
rates for consumers, since elec-
tricity, gas, rail rates and other
public-service rates are based on
over-all costs. And the cost of
floating bond issues is invariably
passed on to the consumer public.

However, the vigorous opposi-
tion of Robert R. Young, then of
the Chesapeake and Ohio railroad,
together with Cyrus Eaton, the
Cleveland banker, helped change
the non-competitive flotation of
utility stocks and bonds, and rule
U-50 was adopted.

MELLON LAWYER

Today, however, a quiet drive is
under way to kill competitive bid-
ding. Spearheading the drive is
the new Republican SEC chair-
man, Ralph H. Demmler, former
law partner of Sen. Dave Reed of
the Pittsburgh personal attorney for
the late Andrew Mellon. Demmler
formerly represented the Mellon
Securities Corporation and helped
arrange one of the biggest banking
mergers of recent years—that be-
tween Mellon Securities and the
First Boston company.

Also in favor of dropping rule U-
50 is Robert A. McDowell, SEC di-
rector of corporate regulation,
formerly of Sullivan and Cromwell
which represents such investment
houses as Goldman, Sachs; Blythe
and Co.; Lehman Brothers, and
First Boston.

Though most of the big bankers
are delighted, Halsey, Stuart and
Co., biggest investment house in
the middle west, has filed an ob-
jection. So have some of the
smaller banking houses, plus labor
groups, among them W. P. Ken-
nedy, president of the Railroad
Trainmen.

These are all a matter of public
record. However, big banker pe-
titions asking that competitive bid-

ding be abolished are kept confi-
dential.

"The briefs against rule U-50
have been filed," explains the offi-
cial SEC spokesman, "but they are
not open to public inspection."

Ike was irked at J. Edgar Hoov-
er's testimony that the two major
goals of the Communist party are
settlement of the Korean war and
recall of U. S. troops from abroad.

These also happen to be two of the
Eisenhower administration's major
goals.

Ex-Congressman Ham
Fish of New York, the isolationist,
has been holding secret confer-
ences at the Mayflower hotel to
stir up opposition against his fel-
low Republican, Sen. Robert Hen-
drickson of New Jersey. Hen-
drickson has a courageous record
of battling isolation. . . The Krem-
lin has indicated it will buy all
Guatemalan coffee for the next
five years, if the inter-American
conference at Caracas should vote
an economic boycott. . . the British
government is worried about
the recent slow-down in Ameri-
can business. British exports of
the USA have dropped off 15 per-
cent within recent months and the
Russians are trying to drive a
wedge between Britain and Ameri-
ca by offering the British bar-
gains in exchange for strategic
materials.

The look of tomorrow
is in every '54 BUICK Today
With completely new "year-away" styling—key-noted
by the dream-car design of the panoramic sweep-back windshield.

The stunning new
1954 Buick Century Riviera.

(horsepower)
200 HP makes
BUICK's CENTURY the power buy of the year!

The sensational Buick Century is available for 1954 in a
full line of models, including the completely new all-steel
4-door, 6-passenger Estate Wagon shown here.

BUICK the beautiful buy

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

It has sports-car smartness and sports-
car snap.

It combines sports-car compactness
with Buick roominess—six-passenger
big.

And for sports-car performance, this
spectacular CENTURY rolls off the
assembly line with a 200-hp V8 engine
and a trim 3852 pounds—highest power-
to-weight ratio in Buick history.

But—what does all that horsepower get
you?

It gets you brilliant performance. It gets
you more economy. It gets you added
safety.

At the wheel of a Buick CENTURY, you

find getaway more responsive, cruising
more pleasant, hill-climbing so nimble
you feel you're on the level. Your engine
is normally working at just a fraction
of its capacity. You have a tremendous
power reservoir to call on in sudden
emergencies.

And beyond this, you have the lowest-
cost automotive horsepower in the
land. For in the popular-priced Buick
CENTURY, you are buying more horse-
power per dollar than you get in any
other car in America.

Come in and try this glamorous new
Buick beauty soon. It is, by all odds, the
power buy of the year.

Seek \$20,000 In Lawsuit

A circuit court lawsuit on file today asks a \$20,000 judgment in the death of Mrs. Ida Prowell, 79. Mrs. Prowell was fatally injured last March 31 when a truck driven by Arthur Mattingly backed into her in the driveway of the home where she and Mattingly lived near Pankeyville.

The complaint, filed by Atty. L. M. Hancock, names Ruby Nelson, administrator of Mrs. Prowell's estate, the plaintiff, and J. C. Harper and Edna Lewis, doing business as Harper and Tolley, and Arthur Mattingly the defendants. Mattingly was driving a Harper and Tolley truck at the time of the incident.

THIS IS THE NEW FORD "THUNDERBIRD" which will be shown to the public at the Detroit Automobile Show. It's a convertible, but can be purchased with a composition hardtop which makes it a complete all-weather car. The cloth top folds out of sight behind the driver's seat. Ford engineers say that from a standing start, in 40 seconds the Thunderbird will be 53 car lengths out in front of the conventional 1954 model. It normally seats two passengers, but the full-width seat provides accommodations for a third passenger. Overall height is 51½ inches—nearly a foot lower than the regular Ford sedan and it is powered by a 160 horsepower V-8 engine. Production of the new car starts in the fall.

Social and Personal Items

First Baptist Church Has Royal Service Program
The royal service meeting of the First Baptist church was held in the church auditorium Thursday afternoon with a good attendance.

The meeting was opened with the song "Send the Light" which was followed with prayer by Mrs. Steele McNulty, who prayed especially for the sick members of the church.

Mrs. Betty Heatherly, president, conducted the business meeting, and reports were given by various chairmen. Announcement was made of the State WMU convention which is to be held at the McKinley Avenue Baptist church in April.

The theme for the program was "Meeting the Needs of Migrants." Mrs. Clarice Froman was in charge. A quartet composed of Mrs. Frances Davis, Mrs. Betty Heatherly, Mrs. Winnie Butler and Mrs. Pauline Hester sang "The Lord is My Shepherd."

The devotion was given by Miss Frances Cummins, who used the story of the "Good Samaritan." Topics were given by Mrs. Frances Davis, Mrs. Ethel Laxton and Mrs. Ollie Cain.

Going-Away Party Held For Virgil Evans Family
Mr. and Mrs. Virgil Evans who recently left for a trip were surprised before their departure with a party given by their friends in the Pleasant Valley community who gathered at the house with homemade baked cakes and ice cream.

After singing a few songs the group popped corn and presented the couple with gifts. They watched television for entertainment.

Those present included Mr. and Mrs. Kenneth Patterson, Mr. and Mrs. Clyde Rice, Mrs. Ola McElrath, Mr. and Mrs. Gobel Dutton, Mr. and Mrs. Clifford Knight, Mr. and Mrs. Wayne Evans, Mr. and Mrs. John Winters, Mr. and Mrs. Virgil Evans, Misses Wilma and Buena Patterson, Ruby, Joella and Maxine Knight, Joan and Frieda Winters, Sharon Evans, and the boys, Hugh and James Evans, Johnnie and Jerry Winters, Frank and George Knight and Larry and Jimmy Dutton.

Presbyterian Fidelis Class Has Social
The Fidelis class of the First Presbyterian church met Tuesday evening at the home of Misses Mary and Edith Morrison.

The meeting was opened with the devotion entitled "The True Patriot" given by Miss Mary Morrison.

After a brief business meeting two contests were held with Miss Julia Williamson and Mrs. Steve Farrar being the winners.

Refreshments of cup cakes, candy hearts, coffee and tea were served to the following members and guests: Mrs. Steve Farrar, Mrs. Aura Goodwin, Mrs. Verner Joyner, Miss Julia Williamson, Mrs. Louis Gall Jr., Mrs. Ora Stiff, Mrs. J. M. Burley, Mrs. Walter Coulter, Mrs. Ownley Furman, Mrs. James Pepper, Mrs. Bessie McCormick and Miss Ethel Morrison.

Mrs. Virginia Goodwin Hostess To Harrisburg Birthday Club
A valentine party was held recently at the home of Mrs. Virginia Goodwin by the Birthday club of the Harrisburg hospital employees.

After a short business session Mrs. Betty Molsinger, the program chairman, conducted games and group singing.

Refreshments of ice cream sodas, assorted cookies and sweet favors were served to Mary J. Rodgers, Nell Cook, Lavine Rice, Beulah Hatcher, Marguerite Bartok, Thelma Burroughs, Florence Billard, Eva Dudley, Grace Busse, Bernice Latham, Betty Molsinger, Leta Jones, Mable Sanders, Dolores Jones, Ida Nolen, Bernice Ledbetter, Pearl Asbell, Betty Thompson, Beverly Miller and Mrs. Goodwin.

Mrs. Stanley Price, Hostess To Baptist Helen Sherer Circle
The Helen Sherer circle of the First Baptist church met at the home of Mrs. Stanley Price, 1205 South Webster, for the February meeting.

Those present were Mrs. Mima Woolard, Mrs. Signa Lucas, Mrs. Elizabeth Murphy, Mrs. Iva Showler, Mrs. Daisy Rude, Mrs. Roy Rieley and the hostess.

The meeting was opened by the first vice president, Mrs. Lucas, who has been chosen to serve for the regular president, Mrs. Charles Miley, who is unable to serve for the balance of the year.

After the regular business meeting, Mrs. Mima Woolard, the program chairman, gave an inspirational devotion and closed with prayer. The song "I Love to Tell the Story" was sung by the group.

Mrs. Lucas gave a topic on the "Margaret Fund and Me," and in it she stressed the things that the fund did.

The group voted to give a donation for this cause.

Mrs. Daisy Rude gave a talk on the subject "Great Things for God."

The project for this month is to give clothing and bedding to the East Harrisburg Baptist Mission.

Mrs. Price dismissed with prayer. Refreshments were then served.

Mrs. Donald Brown Honored With Shower
A stork shower was given in honor of Mrs. Donald Brown at her home in Buena Vista recently by her friends, neighbors and relatives.

Games were played and prizes won by Mrs. Barbara McConnell, Mrs. Maxine Belt and Mrs. Johnnie Reeder.

After the unwrapping of many beautiful gifts, refreshments of sandwiches, cookies and soft drinks were served to the following: Mrs. Joyce Jamerson, Mrs. Shirley Stokich and daughter, Janie, Mrs. Charles Case, Mrs. Wilbur Brown, Mrs. Bertha Mattingly, Mrs. Maxine Belt and daughter, Wanda, Mrs. Roy Caldwell and daughter, Cindy, Mrs. Daisy Malone, Mrs. Allie Peary, Mrs. Mary Hollerson, Mrs. Nell Denny, Mrs. Marie Williams, Mrs. Barbara McConnell, Mrs. Orpha Wagner, Mrs. Johnnie Reeder and children, Shirley and Bill, Mrs. Wilma Brothers and daughter, Judy, Mrs. Mary Brothers and Mrs. Laura Suver.

Several sent gifts who were unable to be present.

Mr. and Mrs. Denver Johnson Celebrate 50th Anniversary
Neighbors gathered at the home of Mr. and Mrs. Denver Johnson recently to celebrate the 50th wedding anniversary of Mr. and Mrs. Johnson.

Everyone brought gifts and food, and after the meal the women helped Mrs. Johnson quilt.

The following were present: Mrs. Kenneth Patterson, Mrs. Virgil Evans, Miss Opal Patterson, Mrs. Ora Golliver, Mrs. Clyde Rice, Wilma and Buena Patterson and Mr. and Mrs. Johnson.

E. E. Ledford who has been in several hospitals during the past nine months was released recently from the Holden hospital in Carbondale. He is now living in Carbondale with his daughter, Mrs. J. L. Reeves, who lives at 516 South University street.

Catches Up On Paper Work

The President timed up a golf game today at the popular Thun-derbird course. But he was faced with catching up on some paper work before he could get out on the links.

James C. Hagerty, White House press secretary, said a mail pouch arriving from Washington would keep Mr. Eisenhower busy for a few hours. In the pouch were a series of bills which Congress has passed in the last few days.

The President tried out the Tam-arisk Country Club course for the first time Thursday. He and Ben Hogan, the triple champion of 1953, played against Helms and Hoff-man.

"I'm doing good for me," Mr. Eisenhower said with a grin to reporters who watched him make a difficult approach to the 9th hole and then sink a three-foot putt for a par four. Hogan, the old master, did not better.

Salt is found in 19 states of the Union and produced in commercial quantities in 14 of these.

When buying fresh citrus fruits—such as oranges and lemons—for juice purposes, it is particularly important to choose those that feel heavy for their size; for, weight is a pretty reliable guide to the water content—the heavier the fruit, the more water is contained.

Berlin (UPI)—The big four pow-ers in their Far Eastern conference with Red China at Geneva April 26 will make a Korean peace settle-ment their first target, well in-formed Western officials said to-day.

It was "definitely understood" by the three Western foreign min-isters and Soviet Foreign Minister Vyacheslav M. Molotov when they reached the Geneva conference agreement that Indochina would come second on the time-table and agenda of the meeting, informants said.

Agreement was reached first, at the final meeting Thursday, to hold a conference on Korea, informants said. Firm agreement to discuss Indochina was not reached until the end of the meeting, it was added.

There has been some anxiety lest France delay ratification of the European Defense Community pact, which is to bring German troops into a West European army, for fear of antagonizing Russia while Indochina talks were pending.

Europe Resigned

France urgently wanted the Indo-china talks to begin as soon as possible, but Korea was never-less put first, informants said.

"The mechanics of the Geneva talks were left up in the air to a great extent," one informant said.

"However, it was definitely un-derstood by all four ministers that Korea and Indochina would be handled consecutively and not at the same time. It also was defi-nitely understood that Korea would take priority over Indochina."

Western diplomats said it is "al-most certain" that all three West-ern foreign ministers will attend the Geneva conference instead of leaving negotiations to deputies.

Europe resigned itself today to an indefinite existence as a divided land because the Big Four failed to unify Germany.

The Russians, however, received full blame from the West for the conference's inability to resolve the German question and grant in-dependence to Austria, which has been occupied since the Nazi an-schluss of 1938.

\$40,000 Drive for

Factory Building

FAIRFIELD, Ill. (AP) — A drive to raise \$40,000 for a new building to house the Johnnie Manufac-turing Co. will start Monday under sponsorship of the Fairfield Cham-ber of Commerce.

A building occupied by the com-pany, which makes ladies' dresses, collapsed Tuesday afternoon. Her-man and Sam Korachs, owners of the firm, have since received bids to relocate the company in other cities.

Eighty employees of the dress company have pledged two weeks wages—totaling about \$8,000 — to the drive.

About 275 persons attended a mass meeting here Thursday night and voted for the fund drive.

Richerson-Ozment Marriage Sunday Feb. 14

Mary Alice Ozment, daughter of Mr. and Mrs. Earl Davis, Stonefort, and Sim Richerson Jr., son of Mr. and Mrs. Sim Richerson of Stonefort, exchanged marriage vows Sunday, Feb. 14, at 8:30, in the First Baptist church in Carrier Mills.

Rev. Ernest Ammon performed the double-ring ceremony in the presence of a few relatives with organ music softly played in the background by the bridegroom's sister, Mrs. Betty Trammel, making a perfect setting for the occasion.

The bride's dress was a navy blue pure silk redingote over linen with white accessories and her corsage was white.

The bride's sister, Mrs. Wanda Sweet, was matron of honor and the bridegroom's brother-in-law, Philip Trammel, was best man. The newlyweds are making their home with the bride's parents, Mr. and Mrs. Earl Davis, in Stonefort.

Mate Back with Spouse After Fine For Kidnap Attempt

CHICAGO (AP)—A husband who paid a \$300 fine for hiring a man to fake the kidnapping of his wife is back with his spouse today.

Frank T. Anderson, 26, Northbrook, was fined \$200, and his hiring, John Nowicki, 26, \$100, by Judge Matthew D. Hartigan in Criminal Court Thursday. Anderson paid both fines.

Anderson, called the "spoiled brat of a rich father" by State's Atty. John Gutknecht, left the courtroom arm in arm with his wife, Rosemary, 26. She had asked that charges be dropped.

The two men pleaded guilty to a charge of conspiracy to do an illegal act.

Last October Anderson paid Nowicki to frighten Mrs. Anderson into staying home more often and relinquishing social engagements.

Mrs. Anderson foiled Nowicki's attempt when she darted from the car in which he was hiding. Police caught him when he crashed her car into a tree.

Anderson is secretary-treasurer of the Chicago Cutting Die Co., owned by his father, Frank T. Anderson. Nowicki is a metal polisher at the plant.

Mrs. Grace Henson is Hostess To Past Noble Grands Club

Mrs. Grace Henson was hostess Monday evening to the Past Noble Grands club of Comfort Rebekah

Lodge No. 48. The meeting was opened with the theme song and minutes of the previous meeting were read and approved.

Mrs. Henson was in charge of the devotion, reading Psalm 105, and prayer was by Mrs. Dollie Davis.

After the transaction of business

members present signed a card to be sent with a bouquet of fresh flowers to Mrs. Eva Arnold who is ill.

Refreshments of sandwiches, pickles, cherry pie topped with ice cream and hot coffee were served. The next meeting will be at the home of Mrs. Helen Gibson the first Friday night in March.

Referee, Judge Suspended After Decision on Bout

LOS ANGELES (AP)—The California Athletic Commission slapped suspensions on Referee Mushy Callahan and Judge Joe Stone Thursday night only minutes after their cards gave a split 10-round decision to golden boy Art Aragon over Michigan's Chuck Davey. The welterweight bout angered a sell-out crowd of 10,400 fans at Olympic Auditorium.

Callahan gave Aragon five rounds, Davey three and called two even, giving the California winner a two-point edge. Stone had Aragon by a point.

The only official who seems to be on the right side of the athletic commission's fence is Judge Charles Randolph who gave the fight to southpaw Davey by six points. The United Press card gave the edge to the Michigan State college grad, 56-54.

"This is the worst decision I have ever seen in my life," said Boxing Board Chairman Tony Entenza.

"We can't change the decision. Neither can we withhold the purses. But we can fire some referees and judges," he said.

Both fighters thought they won.

FBI Arrests Two In \$100,000 Extortion Plot

CHICAGO (AP)—The FBI early today arrested two men, one of them armed with a loaded, cocked .45 caliber pistol, in a \$100,000 extortion plot.

One of the men, Benjamin Alleman, 37, admitted he tried to squeeze the money from Benjamin F. Bohac, president of the Talman Federal Savings and Loan Assn., cooperated with FBI agents and state's attorney's police in laying a trap for the men.

The other man, Ronald W. Greer, 23, said he was duped by Alleman and did not know the plot was under way.

Bohac, president of the Talman Federal Savings and Loan Assn., cooperated with FBI agents and state's attorney's police in laying a trap for the men.

Alleman was arrested at a rendezvous spot in Palos Township where he was to take the cash from Bohac at about 12:15 a. m. Greer was arrested nearby in an automobile. Neither man resisted.

Alleman said he tried to extort the money from Bohac because he was \$30,000 in debt in his cabinet-making business.

Alleman said he was responsible for the plot. He said he asked Greer last Sunday what he could do with \$100,000. He said Greer answered, "I could do a lot."

When they left for the pickup spot, Alleman told him only that he was going "on a deal with a guy that may be hard to handle," Greer said. Greer was to circle the area at 30 minute intervals and pick up Alleman in the get-away car.

291,851 Tons Coal Produced by Saline Mines in January

Saline county mines produced 291,851 tons of coal during the month of January, it was reported today by Ben H. Schull, director of the State Department of Mines and Minerals. January production was less than the 306,278 tons produced in December 1953, and more than the 280,797 tons produced in January of 1953.

The January report included six mines in Saline county, operating with a working force of 1,160 men. Seven mines were in operation a year ago.

Illinois mines produced 4,164,259 tons of coal by 16,571 miners, Schull's report stated. The month's production was 374,497 tons more than the amount produced in January, 1953, and 713,567 tons short of the December, 1953, total.

Mines reporting in January included 33 strip mines and 81 shaft mines.

Williamson county led all counties in production with 525,086 tons. Franklin county was second with 514,289 tons and Fulton county was third with 504,144 tons. Saline county was seventh.

Talbott Refuses Clue to New AF Academy Site

WASHINGTON (AP)—Air Secretary Harold E. Talbott told the Senate Armed Services Committee today that an Air Force academy is "badly" needed but he parried questions as to where it would be located.

The House has passed a bill to authorize a 145-million-dollar start on a "West Point of the air." Senate committee members tried their best to get Talbott to drop a clue as to where the academy might be built. Their questioning disclosed that

Talbott "likes" a sit near St. Louis, one in Kentucky between Cincinnati, Ohio and Louisville; one in Michigan, one in Colorado, two in Texas, one in California and one in Indiana—apparently at Madison.

But he told the senators he is not committed to any of those sites or to picking one from that group. He added that he did not ask for the politically touchy job of selecting the site but wants final authority if he is involved in the choice at all.

**Niagara Accepts NIT Bid;
Bradley, Oklahoma City
To Play in NCAA Tournery**

NEW YORK — Niagara was added to the field for the National Invitation Tournament and Bradley and Oklahoma City to the NCAA tournery today as the two rival post-season carnivals continued their battle to sign up the nation's best independent teams.

The NIT bid to Niagara's Purple Eagles was extended and immediately accepted Thursday night after the Eagles had walloped New York University in impressive fashion, 72-54 at Madison Square Garden.

The Eagles were the sixth team to be selected for the 12-team Garden event, thus half-completing the field which previously included Duquesne, Western Kentucky, Louisville, Dayton, and Wichita. The NCAA, which fills 15 of its 24 berths with conference champions, thus far has listed only four teams.

Kentucky Wins 20th Game

It was announced at Kansas City that Bradley (13-8) and Oklahoma City (13-5) would be matched against each other in a first-round NCAA game at Bradley's court on March 9. The winner would go on to meet the Big Seven champion, either Kansas or Colorado as that race is going, at Stillwater, Okla., March 12.

Seattle previously was picked as an independent team to meet Idaho State, the Rocky Mountain Conference champion, in a first-round game with the winner to play the Pacific Coast Conference champ. No other NCAA teams have been picked as yet.

Kentucky, the nation's No. 2 team, ran up the longest winning streak in that school's history Thursday night when it scored its 20th win in 20 games this season, 90-63, over Tennessee. The Wildcats need only four more wins to complete a perfect regular season—one win less than the five required by Duquesne, the only other major unbeaten team.

Selvy Scores 46 Points

Wichita, which accepted an NIT bid with the understanding it would back out if it wins the Missouri Valley Conference title and a berth in the NCAA, kept its league hopes alive with a 79-73 victory over St.

Louis. The Shockers have a 6-2 league record with two games to play, while league-leading Oklahoma A&M is 6-0 with four left.

In other leading games Thursday night: Frank Selvy of Furman scored 45 points in a 93-49 win over Mercer and added his 19th all-time national scoring record—a career total of 625 free throws to 611 for Walter Dukes of Seton Hall. Buzz Wilkinson of Virginia set a new school scoring record with 37 points in a 99-80 victory over VMI. Skyline Conference leader Colorado A&M beat Colorado State, 68-56, in a non-league game as Dennis Stuehm sank 28 points; Manhattan kept its NIT hopes flickering with an 87-79 double-overtime win over St. John's; Maryland edged Georgetown (D. C.), 53-50; Utah State downed Denver, 67-55; and Georgia Tech scored its first victory in 21 games this season, beating South Carolina, 58-53, to snap a 26-game losing streak extending back into last season.

**Bill Martin Signs
Contract with St.
Louis Cardinals**

Bill Martin, hard-hitting outfielder from Harrisburg, signed a contract to play baseball with the St. Louis Cardinals organization Thursday and is now at DeLand, Fla.

Martin, a left-handed hitter, has not yet been assigned to a Cardinal farm club.

DeLand is the training camp where John Romonosky, assigned to the St. Louis major league club of the Cardinals, has been since early this month. Romonosky, a right-handed pitcher, also is from Harrisburg.

Martin, the son of Mr. and Mrs. W. M. Martin of Harrisburg Route 1, received his discharge from the U. S. Marine Corps Feb. 9 after serving for two years, eight months of which were spent in Japan. He came home for a week, then departed for Florida.

Before entering the service Martin played one year with Paducah, Ky., in the Kitty League. Prior to that he played with the Harrisburg American Legion team.

**UP Announces
'Small America'
All-Star Team**

NEW YORK — It's the little man's day for glory in college basketball today as the United Press announces its sixth annual "Small America" team, reserved for those flashy court stars who stand no taller than 5 feet, 10 inches.

There's a rich crop of popshot peewees to choose from this season, too, with many of them vying with the game's skyscrapers for top scoring honors.

Most of ball-hawking little lads will be lost in shadows when the balloting begins for the annual All-America, for it's the outsize players who attract the greatest share of the court limelight these days. But here is the 1954 honor team for the little men who add so much color and excitement to the game:

First Team

F Jim Lamkin, 5-9 De Paul
F Ron Livingston, 5-10 UCLA
C Chuck Rolles, 5-6 Cornell
G Benny McArdle, 5-10 LSU
G Dennis Bland, 5-10 Purdue

Second Team

F Bob Harbertson, 5-10 Utah State
F Frank Dentico, 5-9 St. Fran NY
C George Sellick, 5-8 Stanford
G Carl Ince, 5-10 Texas Tech
G Fran O'Hara, 5-9 La Salle

Other standouts include: Monte Robicheaux of Rice, Norm Magee of Louisiana State, Pat O'Keefe of Marquette, Ron Reiser of Wisconsin, Bill Ridley of Illinois, Ellsworth Morgan of Yale, Tom Rasmussen of West Texas State, and Ed Krinsky of Harvard.

**Equality to Wind
Up Regular Season
Play Tuesday Night**

Unlike most schools entered in District tournament play next week, Equality high school will not complete its regular season play this week end. The Cardinals entertain Joppla tonight, and then wind up their season next Tuesday evening with Pope Co.

This leaves the Equality cagers playing on the eve of the District tournament. Equality plays Shawneetown in the first game of the Ridgway district next Wednesday night at 6:45 o'clock.

Tuesday night the Cardinals dropped a 93-68 decision at Crab Orchard. They trailed at the various stops, 24-12, 38-30, and 66-50. Scoring for Equality in this fracas was as follows: Crayne 4, Wooley 9, Kaufmann 18, Porter 3, Joyner 3, Bishop 1, Butler 6, Woods 10 and Barnett 14.

Last Friday evening the Cardinals invaded Enfield and posted their seventh victory of the season, 56-44. Scoring for Equality in that tiff was Kaufmann 12, Bishop 2, Crayne 5, Wooley 12, Butler 5, Woods 11 and Barnett 9.

**Baltimore Trades
Roy Sievers to
Senators for Coan**

By United Press

The Baltimore Orioles, new American League entry, traded Roy Sievers to the Washington Senators Thursday for Gil Coan in a deal which involved two hard-luck players and no cash.

Both Sievers, 27, and Coan, 29, have been hampered by injuries during past campaigns.

Sievers, who played the outfield and first base for the defunct St. Louis Browns last year, injured his right shoulder in 1951 diving for a ball. His throwing arm was affected and he was sent to the minors. He made a comeback last year and batted .270 while playing mostly at first base.

Coan, an outfielder, was voted the outstanding minor leaguer of 1945 while playing for Chattanooga in the Southern Association. He suffered a fractured skull in 1950, broke his wrist in 1952 and broke his ankle last spring. Before his injury last year, he was leading the Senators in hitting with a .378 mark.

**By Ed Kirkpatrick
and Bill Melton**

Shades of Frank Selvy and Bevo Francis cropped up in southern Illinois high school basketball circles this week with one cager dropping in 47 points and another hitting for 37 in single tiffs. Although neither have been consistent big time scorers throughout the season, we must say they rang the bell at a fast clip Tuesday night.

Crab Orchard's Harold Hill had his "field night" against Equality, cracking 15 field goals and 17 foul tosses for 47 points, as the Trojans roared over the Cardinals, 93-68. To our knowledge, Hill's effort is the best single game scoring performance of any high school cager in southern Illinois this season. In fact, we think it would bid high for honors throughout the state.

Hill, a junior, collected most of his tallies in the last half after Equality had lost the services of both their rangy boys, Ken Wooley and Crayne. The Cardinals were only trailing 38-30 at the half, but with foul charges cutting out the Equality squad and Hill on a one-man rampage, Crab Orchard pulled away fast. Hill's 47 points set a new all-time Crab Orchard high school individual scoring record. The precious mark was 46 points. The Trojan center hit 17 of 25 tries from the foul stripe.

The other Tuesday-night scoring wizard was Carbondale University high's Woods, who chalked up 37 tallies in his school's narrow 55-54 victory over Christopher. Dick Kirkmeyer, Christopher's one-man scoring machine who has averaged in the high twenties for the season, had to take a back seat to Woods. Kirkmeyer experienced one of his worst nights of the season, contributing only 18 points to his team's total. Kirkmeyer's poorest point-producing games of the season have been against Elkville and Benton. In tussles against these two teams, he was held to 17 points.

Tuesday night the Carrier Mills Wildcats closed out their 1953-54 home season and the five senior members of the first ten were given special recognition in a short ceremony before game time. Seniors on the team are Captain Ron Culbreth, Jim Miller, Lowell Stricklin, Sterling Cowger and Vance Craig.

Max Berns, 5' 11" junior, has returned to the Carrier Mills squad after an absence of about three weeks due to an injured foot. Berns was hurt in a game at McLeansboro Jan. 26 and has been on crutches, with his foot in a cast since then until Monday, when the cast was removed. He entered the game Tuesday for a short time and will be brought along slowly, but should be ready for full time duty by tournament time.

A group from Oklahoma City comes up each year with what they call the High School All American football squad. They announce seven teams and a long list of honorable mentions. One player from this area, Larry Kane of Carmi, was on the honorable mention list. Kane quarterbacked Carmi to an unbeaten season last fall. He is the nephew of Mrs. Catherine Seright, Harrisburg, and is known here, having visited with his cousins, Joan and Eddie.

The Carrier Mills high school basketball team in general and Ron Culbreth and Oliver Rollins in particular, come in for some well deserved praise in a Chicago Daily News article this morning.

The team record of 18 victories in 20 starts gets a mention and story quotes Coach Claude Shelton as saying he believes Culbreth is worthy of all-state consideration. "His general attitude, competitive spirit, leadership qualities and scholastic achievements are all superb," Shelton says of his team captain.

Rollins, the high scoring sophomore center, also gets special mention from his coach, who says "Real quick for a big guy, Ollie can go either way, has a good jump shot and is hard to budge on rebounds."

**Rocky Castellani
Meets Durando in
TV Bout Tonight**

NEW YORK — Clever, fleet-footed Rocky Castellani, the world's No. 1 middleweight contender, and slugger Ernie Durando, hardest hitter in the 160-pound division, meet again tonight at Madison Square Garden in their decisive TV-radio 10-round "rubber match."

Each won a previous encounter. Castellani of Cleveland, 26, took a lop-sided decision on Jan. 27, 1950. But Durando of Bayonne, N. J., scored a seventh round technical knockout in their riotous brawl on Jan. 11, 1952. Both bouts were staged at the Garden.

No one knows better than Castellani that this is a dangerous fight in which he risks his top rating and his rights to a title shot at the Bobo Olson-Kid Gavilan winner on April 2.

Castellani was favored at 11-5 today because of his skill, elusiveness and achievements since their second bout. Also because Durando has been out of action with an injured shoulder since Oct. 23, when he tagged rugged Charles Humez of France with his first kayo.

**Union Officials
Jailed for Refusing
To Produce Records**

ST. LOUIS (AP)—A second official of the AFL Teamsters' Local 688 was jailed Thursday for failure to produce the union's financial records for a federal grand jury investigating labor racketeering.

Louis Berra, assistant to the union's secretary treasurer, Harold J. Gibbons, joined Gibbons in city jail by order of Federal Judge George H. Moore. Gibbons was jailed Wednesday.

Both were held in contempt of court when they appeared without the records in violation of Moore's order.

William Latal, president of the local, and three members of the union's executive committee were scheduled for hearings before Moore today. All have been subpoenaed to produce the records.

Latal has filed a motion to quash the subpoena, but Moore overruled similar motions by Gibbons and Berra.

Of Rabies Vaccination
Saturday Afternoon**

Dog owners in the vicinity were reminded today by the Harrisburg Humane society that the season's first rabies vaccination day will be held in the street and alley department rooms of the city hall from 1 to 5 p. m. Saturday.

The street and alley department is on the lower level of the building, facing Cherry street.

Each year the humane society offers these mass vaccinations to help prevent the start of rabies in the community. Price this year is \$1.50.

In addition, the society will take orders for collar name plates from persons who desire them.

Pvt. Virgil E. Wright, 20, whose wife, Natalie, lives at 5446 Sovay Drive, Pontiac, Mich., is training with the 44th Tank Battalion at Camp Irwin in California's Mojave desert. Pvt. Wright, son of Mr. and Mrs. Virgil Wright, Route 1, Harrisburg, entered the Army in April 1953 and received his basic training at Fort Knox, Ky.

Army M. Sgt. William H. Mandrell, son of Mrs. Beulah Price, Carrier Mills, is returning to the U. S. after serving at Camp Tokyo in Japan. Sgt. Mandrell, whose wife, Mildred, lives in Colts Neck, N. J., was a pole line foreman in the Headquarters Detachment. He arrived overseas in February 1952.

**Reject Pasture
Restoration
As Gov't Project**

WASHINGTON (AP)—The Agriculture Department today turned down requests for a "pasture restoration" program in drought states which it estimated would cost at least 308 million dollars.

The department made its decision after a survey of 17 drought states which showed that restoration efforts are needed on about 39 million acres.

It said the total cost of seed, lime, and fertilizer needed in the 17 states is estimated at "more than 308 million dollars." The estimate could be "considerably increased," it said, should restoration programs be made available in other states where weather conditions have been bad but not severe enough to warrant designation as "major disaster" areas.

The department announced its decision in a press release made public at the same time a letter was sent to Missouri congressmen who requested surplus pasture seeds and fertilizer be made available to drought-hit Missouri farmers.

A spokesman said since similar requests have come in from Arkansas and Kentucky the department feels it would have to undertake aid to all drought areas if it did to any.

**Former POW
Will Be Tried by
Court Martial**

WASHINGTON (AP)—The Army announced today that Corp. Edward S. Dickenson, who first embraced and then renounced communism while a war prisoner in Korea, will be tried by court martial.

The Army said a pre-trial investigation disclosed "sufficient information . . . to make necessary" the court martial against the Cracker's Neck, Va., mountain boy.

It said Dickenson will be tried on charges:

1. "That he committed a crime by giving information to his captors concerning his fellow prisoners in order to receive favorable treatment and by so doing caused these other Americans punishment and hardship, and
 2. "That such communication with the enemy is unlawful, and contrary to regulation and custom."
- Dickenson also is charged with "unlawfully and without authority" associating and collaborating with the enemy.

**Attorney, Brother
Convicted of
Selling Postal Jobs**

CHICAGO (AP)—A federal jury Thursday convicted an attorney and his brother of selling jobs and promotions in the Chicago post office.

Atty. Julius L. Echeles, 37, and Paul Echeles, 47, his brother, were found guilty on 13 counts, 12 involving bribes and the other conspiracy.

The District Court jury found innocent a third defendant, Max Lewis, 60, a former postal clerk. John Haderlein, former Chicago postmaster tried and acquitted on similar charges last year, testified for the Echeles brothers. He said he did not take or split any bribes from them.

One woman testified during the nine-day trial that her husband paid \$800 for a promotion in the post office.

Judge Julius J. Hoffman said he would sentence the brothers next Tuesday.

**Rep. Mason Labels
Presidential Adviser
Adams a 'Pipsqueak'**

LA SALLE, Ill. (AP)—Rep. Noah J. Mason (R-Ill.) today criticized 'presidential adviser' Sherman Adams as a "pipsqueak" for his role in forcing the resignation of Clarence E. Manion, former Notre Dame University law school dean, is chairman of the Commission on Inter-Governmental Affairs.

He said Adams should be fired. Mason, visiting here before returning to Washington, said he believed the administration sought Manion's removal because it feared he would not do so. He said he did not think the commission study would amount to much now.

The Illinois congressman compared the requested resignation of Manion to the action of the Truman administration in removing Douglas MacArthur as commander of United States forces in the Far East.

**Actress Takes
Overdose of
Sleeping Pills**

HOLLYWOOD, Calif. (AP)—Blonde actress Anne Sterling was in critical condition in a hospital today after police said she was found unconscious in her bedroom, apparently from an overdose of sleeping pills.

Investigators said they found the screen star in her night gown. Beside her was a bottle of prescription medicine. They said the 28-year-old beauty was alone in her West Hollywood apartment and that no notes were found.

Police said Miss Sterling called her physician early today and told him she had taken the pills. The doctor, who was not identified, called a telephone operator, who in turn called police.

**Lions' Chili Feed
A Great Success by

The Chili Day Feed, sponsored by the Carrier Mills Lions club Thursday, was a great success in every way, it was said today by members of the club.

Serving started at 11 a. m. and continued into the evening, with large crowds in attendance at both the noon and supper hour.

Members of the Lions club were the "waitresses." On the menu were chili, hot dogs, cake, Sanka, coffee, soda pop and milk.

Proceeds from the affair will go to finance the parking lot in Carrier Mills, a Lions' project, for a banquet for the high school basketball team and other Lions' activities.

**Anna Hospital to Open
New Psychotherapy Ward**

ANNA, Ill. (AP)—A new psychotherapy ward will be opened at the Anna State Hospital this month, Dr. R. C. Steck, hospital superintendent, said today.

Attendants assigned to the new ward have been given special training for their new jobs.

Steck said the project is an experiment in "offering psychother-

apy to a large number of patients when only a small staff of psychotherapists is available." He said the project would use "group methods" and if it is successful similar groups may be organized.
